

KNOCKDOWN BOOTHS

SAVE \$\$\$

IN UNDER 3 MINUTES & ONLY 5 STEPS!

BOOTHS SHIP KNOCKDOWN TO SAVE HUGE ON FREIGHT.
ASSEMBLY IS QUICK & EASY!

- Oak Street's knockdown booths have 8 threaded inserts in seat back for superior strength.
- Bolts are then used to securely anchor seat backs to toekicks

BOOTH UPGRADES

- Set seat back and toekick on their side. Toekick sits on included 3/4" piece of plywood to ensure proper spacing.

- Using drill driver & 1/2" bit socket, tighten 8 bolts (included) through toekick into threaded inserts in seat back.

- Set booth down and attach seat.
- Assembly is complete!
